## New forensic rendering to identify decedent 'Jane Doe'

**SANTA ANA, Ca. (July 31, 2023):** The Orange County Sheriff's Department – Coroner Division is requesting assistance to identify a decedent, referred to at this time as Jane Doe, found on May 26, 2023, at 4:52 p.m. in the city of Irvine.

Jane Doe was located deceased on the sidewalk near Mark Dailey Athletic Field at 308 East Yale Loop. She appears to be a Hispanic or Asian female, estimated to be between the ages of 45-60 years-old. She is 5 foot 8 inches tall and weighs 124 pounds. She has black medium-length curly hair, brown eyes, and natural dentition. She does not have any significant scars, marks, or tattoos. She may have been experiencing homelessness at the time of her death, and her cause of death is pending.

Orange County Sheriff's investigators have released a forensic rendering, shown below, of the decedent Jane Doe in an effort to identify the woman.

Anyone with information relating to her identity is asked to call the Coroner Division at 714-647-7400 and reference case number 23-03133-BK.
